## A Few Important Notes

### Footnotes

Occasionally you will find a Footnote, in the form of a letter immediately after a time, eg 2124z. The Footnote which explains the meaning of this letter can be found at the bottom of that page.

### Headings, Symbols and Shading

TransPennine Express services are indicated at the top of the columns by the code **TP** on the timetable pages. When a service only operates for part of this timetable the symbols and notes at the top of each column are also highlighted. For full details of the dates of operation please refer to the notes at the bottom of each page.

### Remember

Setting out on holiday can be stressful, so we recommend that you make sure you plan to arrive at your airport at least 2½ hours before your flight time to allow time for airport security and possible check-in queues.

## Connections

If you need to take more than one train to complete your journey you should plan to allow at least five minutes to change trains. This is known as the Interchange Time.

At certain stations more time is required to change trains. These are generally larger stations and the extra time is required as you may need to change platforms to catch your next train.

Stations shown in our timetables where this applies are:

Carlisle	<b>8</b> minutes	London Euston	<b>15</b> minutes
Doncaster	<b>7</b> minutes	London Kings Cross	<b>15</b> minutes
Edinburgh	<b>10</b> minutes	Manchester Piccadilly	<b>10</b> minutes
Glasgow Central	<b>15</b> minutes	Newcastle	<b>8</b> minutes
Lancaster	<b>6</b> minutes	Preston	<b>8</b> minutes
Leeds	<b>10</b> minutes	Sheffield	<b>7</b> minutes
Liverpool Lime Street	<b>10</b> minutes	York	<b>8</b> minutes

When using one of these 'connecting services' the connecting service may be provided by another operator apart from TransPennine Express.

If your ticket is for TransPennine Express Services only it will not be valid on these services.
